CANADIAN PROVINCES: STAMPS

James C. Johnston Jr.

Jim is a noted historical author and lecturer and a prodigious collector of antiques. He has also formed fascinating and highly detailed collections of Canada and Provinces stamps and postal history (offered here), as well as stamps and postal history of the United States. I will let him speak for himself:

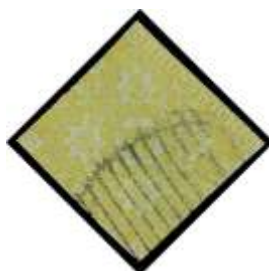

"My interest in history, scholarship, teaching, writing, and studies in so many aspects of the collective human experience began with stamp collecting in 1949. Philately has shaped my life and made my odyssey to this point of my life very exciting."
